In this case the elaboration of the information is necessary because is a legitimate interest of ParkForFun.com and of its members to guarantee that the Services are safe and protect them, for example, to fraud, undesirable access and improper use.

Why do you need my date?

For the activity that ParkForFun carries out is necessary to collect some data with the aim to correctly supply the service, to communicate with you before, during and after the journey, to

know your opinion and learn from your experience after the travel. ParkForFun.com will use your data exclusively for the following purposes:

Purposes connected to the management of the contract relation, as well as the distribution of Services.

ParkForFun.com will realise the service:

- On the basis of your approval;
- Because it is necessary for the contractual fulfilment of point 1 (for ex. Preparation and execution of the travel and/or transport contract, purchase of specific tickets, hotel bookings);
- Because it is necessary to fulfil the legal obligations, of point 1, to which we are subject (for ex: accounting, remunerative, social security, anti-terrorism checks requirement);
- Because the treatment is necessary to follow a legitimate interest (for ex: protection and safety of the corporate assets, prevention to fraud, safeguard of company's strategic interests and related commercial relationship, company's good protection of the client companies.

As a result, the conferment of the personal data is obligatory for the goals of the point 1. The goals 2 does not deduce by a legal obligation and the conferment of the related agreement is optional.

Point 1 – objectives connected to the service

Execution of the Tour Operator activity, to buy entry tickets to manifestations, to check your presence on the vehicles, to contact you in case of advance or delay during the journey and other activities connected to the distribution, support, update and information regarding the Services and the features available; activation of on line services (ex: reserved area access site www.ParForFun.com), job interviews, collaborators selection;

Point 2 – Objectives connected to marketing activities.

With your specific agreement, your personal data will be treated for: market research, economic and statistic analysis (for example, phone interviews about the realized travels); social, cultural, solidarity ventures; commercial information; update on training initiatives; marketing; shipping of information/advertising/promotional material and updates about initiatives, promotions and offers of the Group, and/or third parties that work in collaboration with ParkForFun.com, and in relation with programs and promotions, even online, with the aim of reward or retain clients; communications and information about the activities of the Group and about the events to which the societies of the Group take part;

Attention to the necessities of some data

The eventual partial or total lack of conferment of the data will entail the partial or total impossibility to reach the goals mentioned above.

The entity and the inappropriateness of the conferred data will be evaluated from time to time, in order to determine the consequent decisions and to avoid the excessive data processing related to the aims pursued.

We are not going to use Your personal data for different and further purposes with respect to the ones described on the present report, if not by informing you in advance and, where necessary, by obtaining Your approval.

Will you hold specific data?

In the event that You decided to apply for a specific work offer and/or you decide to give us specific data, ParkForFun.com would use and collect data that according to the law, need your approval. In some cases, this Data could be necessary to the purpose of the selection. In that case, we inform you that will be used exclusively for the purposes indicated on point 1.

Who will use my Data?

Your data will be used, as data controller, by the society ParkForFun.com srl in Italy, with the headquarter in Via Bottenigo, 217 | 30175 | Venezia also for the website Parkforfun.it (from now on "ParkForFun.com Group").

ParkForFun.com Via Bottenigo, 217 | 30175 | Venezia is responsible for the treatment in the field of management of the contractual relationship with the Clients of the group ParkForFun.com in many jurisdictions and controls, in respect of international law (for example: travels that involve many UE and no UE countries).

How will this data be shared?

Services suppliers

ParkForFun.com can share the Users' information with third parts that supply services to ParkForFun.com, like support and improvement of the services, services promotion, payments' elaboration or orders' evasion. **This services provider will have access exclusively to the information strictly needed to conduct these limit functions on behalf of ParkForFun.com and are required to protect Users' information.**

ParkForFun.com could also ask to services suppliers to collect, during the time, information about the use of the Services from the Users on behalf of ParkForFun.com. in this way, ParkForFun.com or the suppliers can promote ParkForFun.com or visualize relevant information on the Services or other websites or services on the basis of the users' interests

Third part activities through API or other integrations

If the user use app, plug-in or third part's Web site that are completed with Services, the third parts can receive the information and the content of the user, included personal data, pictures and data of his activities (even the private ones). The information collected by third parts are subjected to their terms and policies.

ParkForFun.com is not responsible the terms or third parts policies.
